INTERNAL RISK FACTORS

The below mentioned risks are top 10 risk factors as per the Prospectus:

1. Our business and prospects may be adversely affected if we are unable to maintain and grow our brand name and brand image.
2. Any interruptions at our flagship centre and other diagnostic centres may affect our ability to process diagnostic tests, which in turn may adversely affect our business, results of operations and financial condition.
3. Concentrated emphasis on radiology services also exposes us to substantial risks that could adversely impact our operations, financial performance, and long-term growth prospects.
4. Our operations are concentrated in Mumbai Metropolitan Region ("MMR"), and any loss of business in such region could have an adverse effect on our business, results of operations and financial condition.
5. Our ability to remain competitive may be adversely affected by technological advancements, innovations in diagnostic testing and our ability to access such technology.
6. We operate in a highly competitive business environment, and our inability to compete effectively could have an adverse effect on our business, results of operations and financial condition.
7. Failure to establish and comply with appropriate quality standards when performing imaging, testing and diagnostics services could result in litigation and liability for us and could materially and adversely affect its reputation and results of operations.
8. We may be unable to successfully implement or manage our growth strategy.
9. The Restated Financial Information provided in this Draft Red Herring Prospectus have been provided by the Peer Reviewed Chartered Accountants who are not the Statutory Auditors of our Company.
10. The industry in which we operate possess various risks and challenges as provided in the Industry Report titled "Industry Report on Diagnostic Industry in India" dated July 22, 2024, which is exclusively prepared for the purposes of the Offer and issued by D&B and is commissioned and paid for by our Company ("D&B Report").

For further details, see "Risk Factors" beginning on page 42 of the RHP.
